

Featured site offering free polyphonic & mp3 ringtones

MilesRingtones.com has just launched their portal for everything that relates to instant, downloadable digital accessories including free ringtones, wallpapers, games, videos, and photos for mobiles.

MilesRingtones.com has just launched their portal for everything that relates to instant, downloadable digital accessories including free ringtones, wallpapers, games, videos, and photos for mobiles. In fact, everything that is needed to "pimp" your mobile can be found and instantly downloaded on the website.

MilesRingtones.com offers a unique, clean interface allowing site visitors to spruce up their mobile and set their mood to song. Presented by ringtone experts (and fanatics), MilesRingtones.com caters to its visitors by letting them control the website's offerings, be it ringtones, tutorials, or other digital accessories.

Currently, the website offers more than 10,000 of the most popular ringtones of today and yesterday. And, unlike other ringtone sites, MilesRingtones.com validates their expertise by offering free ringtone advice, tutorials and reviews of popular ringtones.

In addition to standard mp3 ringtones, MilesRingtones.com is also one of the leading providers of polyphonic ringtones, increasing their collection daily by allowing site visitors to register and upload the polyphonic ringtones they create.

"We have a great selection of both mp3 and polyphonic ringtones already, and will be building on the site daily, offering new mp3 and polyphonic ringtones, games, videos, and wallpapers for download. We are also constantly working to provide articles and reviews based on our audience's needs." says Grigoriy Anoshenko, the founder of MilesRingtones.com.

The MilesRingtones.com portal allows site visitors to see current ringtone reviews, a list of the top downloads and the latest polyphonics and mp3 ringtones that have been uploaded to the site. It also offers of search methods to find ringtones include the ability to find tones by artist, genre and album.
