

Jerk That Cock

There's nothing like watching a hot horny lady on her knees while jerking your cock as hard and fast as she can so that you can blow your load all over her face and tits!

Jenny is a pretty blonde who gets right into jerking this cock off - she uses every part of her talented fingers and hands, and then when that's not enough she puts her pretty little feet to work too! It's a foot-tastic hand job that is not to be missed!

Melissa doesn't mind if her long brown hair ends up filled with gobs of goo, but she didn't want to take a load in the eye - so she's wearing ski goggles. Watch as she puts her superior cock rockin' skills to work on two dicks at the same time!

Gigi is always up for a good time and she'll try anything once. In this scene she jacks her lover off like a goddamn pro - this is certainly not the first time she's wrapped her skillful fingers around a steel-hard shaft!

Sara is a fresh faced hottie who was more than willing to jerk off two guys at the same time, but like Melissa she didn't want to catch a salty load in her eyes, so she's hiding behind the ski goggles too - no matter, the action is still smoking hot!

This tiny-titted Asian teen babe is always hot and horny for big white dicks. Watch as she puts her fingers and tongue to good use here - milking this cock of every drop of cum and using it to paint her braces.
