

Driving School in Richardson solves problem of cell phone/texting by teens

Driving School in Richardson teaches teens how to drive a standard transmission as well as risks of Drugs, Drinking & Driving

Desi Driving School is one of the handful schools in U.S. which teaches standard transmission. Today almost every Driving School teaches only automatic transmission but at Desi Driving School we believe learning standard Transmission will solve the problem of several distractions including but not limited to cell phone & texting, One of the main reasons for teen accidents.
