

# SEO Consulting Company Awarded Five Stars by Yahoo Local

*The Pasch Consulting Group, an Internet marketing and SEO consulting company, was awarded a five star rating by Yahoo through their Yahoo Local review system.*

[b]Pasch Consulting Group[/b], specialists in Internet Marketing and Search Engine Optimization, received a [b]Five Star Award [/b]from Yahoo.com based on a higher score of customer reviews on Yahoo Local. The coveted Yahoo Local five-star award recognizes the Pasch Consulting Group as a business that has received multiple five-star reviews from their customers and local consumers.

Pasch Consulting Group [b](PCG)[/b], which offers business owners advice on how to market their products and services on the Internet, is lead by Brian Pasch, CEO. Brian Pasch has over 20 years of direct marketing and technology experience which has allowed his firm to develop effective search marketing campaigns for his clients. The Pasch Consulting Group is the [b]number one listing[/b] on Yahooâ€™s search results for phrases such as [color=#3366aa]â€œseo consultantâ€•, â€œseo consultingâ€•, â€œinternet marketing a and [color=#3366aa]"automotive seo consultants".[/color]

Mr. Paschâ€™s SEO agency has a diverse client list, including automobile dealers, doctors, lawyers, musicians, transportation companies, concierge services, e-commerce businesses, and luxury goods stores. The company led by Mr. Pasch has had great success in website optimization for [color=#ff0000]automotive dealerships[/color] including BMW, Infiniti, and Mini Cooper brands. PCG has developed a proprietary website marketing model specifically designed for increasing organic search results for [b]automotive websites[/b] which in turn increases local qualified car buyer leads.

Mr. Pasch is a published author, guest speaker, and active writer via his website blogs. The Yahoo Five Star award is a wonderful confirmation of the success his company delivers to business owners wanting to be found at the top of Yahoo search result pages.
