[b]March 23rd is Easter and Edible Gifts Plus wants to make sure you are ready when the Easter Bunny arrives. [/b] Make Edible Gifts Plus your first hop for sweet Easter gifts for friends and family. These special items can be shipped anywhere in the United States. "A beautiful Easter basket is such an easy way to make someone smile," says Margo Saunders of Edible Gifts Plus.

Make this Easter truly egg-citing with gifts from the Edible Gifts Plus Easter Collection. [color=green]Why not try a box of hand-decorated Easter cookies or a beautiful candy bouquet? [/color] Choose from a selection of ready-made gift baskets or create your own for a unique present.

Customize your Easter sentiment by placing a personalized message, children's artwork, or family photograph on a sweet Rice Krispie Treat, fortune cookie, or Easter Egg cookie! Create a special gift that will brighten someone's day.

For those on your Easter list who don't have a sweet tooth, send an arrangement of [color=green]vibrant, fragrant fresh flowers or a delicious fruit basket. [/color]
