

Tag Heuer's New Sunglasses available at LiveLeanToday.com

LiveLeanToday.com has become one of the few online retailers of Tag Heuer Avant-Garde Eyewear

LiveLeanToday.com is proud to announce that is it now one of a limited number of websites authorized to retail esteemed Tag Heuer's new line of sunglasses, their Avant-Garde Eyewear Collection.

Long known for their advanced thinking and incredible high-quality watches and timepieces, Tag Heuer recently added their same cutting edge design and attitude to their sunglasses collection. This collection is perfect for the style and function conscious active person who only wears the best in everything they use for the workouts and lifestyle.

Tag's golf specific designs feature frames with an ergonomic wrap around design that holds firm in any activity, and lenses that have a perfect no distortion, field of vision. Exclusive materials Titanium, Magnesium, Aluminum and Stainless steel make up the construction and the titanium rubber temples are the optimal non-slip surface.

Visit www.LiveLeanToday.com for more information and to view Tag Heuer's new Avant-Garde Eyewear collection.
