

# SEDUCED MATURE SLUTS

*Mature teachers lost all control and got down and dirty with their students! All their fucking hot sessions were filmed for your viewing pleasure!*

Mrs. Sorokina, Principle's Assistant

We were right in time to stick our fuck monsters into this busy lady's nasty quim. She was leaving for the theatre, but she forgot all about the play when she saw bulges in our pants. Who needed that stuff when there was a stiffy to take care of! Anyhow, we had a great time stuffing that muff! Wham, bam, thank you, ma'am!

Mrs. Danilova, Technical Drawing teacher

Gee, the drawing teacher! The only one we had wet dreams about. But everything changed when we asked for some additional lessons. We could fuck that nasty hole for real then! She looked so happy when she saw us. And you know what, our dicks were even happier to fuck and cream the slut's face and wet twat! Check it out now!

Mrs. Alexandrova, Mathematics teacher

This chick was never our favorite, 'cause she's too damn strict and all. Too bad we didn't notice how fuckable this number really was until recently! We dropped by to talk to her, but it all ended up with ya-know-what! Our boyish charms worked great, and man, our dicks still feel sore after that raw fucking!

Mrs. Kalugina, Computer Studies teacher

This time it was our computer studies teacher that we visited. A hot lady, we gotta say. There was just one thing - she was a workaholic who hadn't tasted a cock or taken it up her hole for a long-long time. We popped by with some papers she needed to sign, and before she knew it, this nasty bitch was fucking our heads off! Young cocks can do wonders!

Mrs. Repina, foreign language teacher

She told us we were lazy bones yet offered us a cup of tea. Then she suddenly became so heated that she forgot all about our spelling and pronunciation going down on a hard dick as a cock-hungry slut. It turned out that she had dreamt to fuck a young innocent student for all her life!
