

Nashua BMW Owners Drive East for Peabody 328xi Lease programs

Nashua BMW enthusiasts are "Driving East" to Peabody for great lease programs on BMW 3-Series cars. Peabody BMW has lowered lease rates on the best selling 328xi with monthly payments as low as \$279

Peabody, MA (March 2008) " BMW of Peabody makes the dream of driving home the Ultimate Driving Machine a reality this month for New Hampshire car enthusiasts. BMW of Peabody announced that the public can [b]lease a new 2008 BMW 328xi for only \$279 a month with \$4000 down, plus first payment, security deposit and doc fees. [/b]

With deals this enticing, consumers will be traveling from Boston and Nashua New Hampshire to view BMW of Peabody's 3-Series inventory.

"The 3 series is the most in demand car this moment. It's performance driven, competitively priced amongst luxury makes and perfect for city driving," says General Manager of BMW of Peabody, Marshal Cabot.

BMW of Peabody always carries a plentiful selection of 3 series models including the [b]All Wheel Drive 328xi, 3 series convertible and 335[/b]. Due to the existing construction at their route 114 location, space is limited and it is necessary to move as many cars as possible in March. Additionally 60, 3 series models will be arriving from the port in the next few days.

BMW of Peabody makes leasing a brand new BMW an enjoyable experience. They are conveniently located from all points in Massachusetts and New Hampshire. For more information or to schedule a 3 series test drive, call their sales department at 978-538-9900.

Lease details: example stock # 29158, MSRP \$35,550. Lease for 24 months and excludes tax, title and registration fees. 10k miles per year.
