

You don't have to be a financial guru to invest - INVEST NOW has been published

The must-have guide for Canadian investors: Invest Now delivers three surprisingly simple steps to safeguard your financial future.

Canada's Personal Finance Website announced the publication of Invest Now by award winning author A. Dawn. Invest Now delivers a convincing case for avoiding daily spending temptations and then shows you the secrets to smart investing. With as little as \$25, you can become a successful investor by following Mr. Dawn's three simple and practical steps. Invest Now gives you the ins and outs of mutual funds and financial markets and reveals why it's so wasteful to leave money in your savings account.

"This book is not for you if you want to become a millionaire overnight or are praying for some other financial miracle. As I will mention repeatedly, investment is an art. As such, it requires discipline, hard work, and consistency." A. Dawn

You don't have to be a financial guru to develop a savings plan and accumulate wealth. Invest Now offers all the tools and motivation you need to start building a safe and secure financial future for you and your family. Invest Now has won the prestigious Editor's Choice and the highly prestigious Publisher's Choice awards for its editorial integrity and outstanding design quality.

About the author: A Dawn is a City University of New York Economics graduate. The former Financial Advisor now works as a Data Integrity Analyst for a major Canadian wealth management corporation. He created Canada's Personal Finance Website (www.adawn.net) and Canada's Favourite Journal (www.adawnjournal.com) to make the world of personal finance easy and accessible for everyone. Invest Now is author's first book. He makes his home in the world class city of Toronto.
