CreateSystematicWealth.com Owner and Reverse Funnel System's "Discover Freedom" Team Leader Adam Kiepke reveals an exclusive "Free FLIP Digital Camcorder For Home Business" offer generating massive leads and \$1000 profits for direct associates (affiliates) using a simple tool.

Mr. Kiepke has geared hard working RFS home business affiliates for success with the offer of this Free Flip Digital Camcorder. This is an opportunity to jump-start the building of an internet home business that will create wealth through the following:

- * Specific home business training affiliates can use immediately to generate \$1000 commissions for free or on a limited budget.
- * Powerful 100% automation allowing time for laser sharp focus on important areas of home business generally left untouched.
- * A simple system creating multiple streams of upper-class income from a home internet connection.
- * And unrestricted creative control opening the world of action for home business entrepreneurs and associates.

Mr. Kiepke explains:

"I run my business with a simple phrase in mind: 'Your Action Determines Your Outcome.' The free Flip Camcorder offer is a leadership gift, not a thank you. I am presenting the Flip Digital Camcorder to my personally enrolled affiliates as a high-powered marketing tool.

Leadership and training drive a team to success and unless everyone contributes, the team struggles. The Free Flip Digital Camcorder gives my associates a tremendous advantage in home business Web 2.0 technology marketing (video specific). This allows them to create wealth on a very limited budget.

Those that take action immediately show me they are completely serious about home business and deserve the training and tools required to make substantial wealth from home as soon as possible.

This is just one of many ways I plan on leading my associates to personal success. Seeing my team make money and building a profitable business partnership is priority number one."
