

Irvine BMW Selling BMW 128i 135i Cars in Orange County

Irvine BMW announces availability of BMW 128i 135i cars for sale. The BMW 1 Series cars are now in California and Irvine BMW is now taking appointments for 1 Series test drives.

[b]Irvine BMW has now received their initial allocations of BMW 1 Series cars. [/b]The wait in Southern California is over! Orange County BMW enthusiasts can finally see and test drive the hot new BMW 1 Series cars. The 128i and 135i cars will be in high demand this spring in the OC so consumers are encouraged to call and schedule a test drive.

The 2008 BMW 128i and 135i cars can be ordered as a coupe or convertible and early polling suggests that the 135i Coupe will be a favorite among passionate BMW driving enthusiasts. California consumers have been waiting to test drive the new 1 Series cars. The wait is over and the Irvine BMW showroom will be buzzing with activity. Once consumers drive the 128i and 135i they will understand why the 1 Series cars are so popular in Europe.

Southern California BMW shoppers should also note that at the end of April, the [b]2008 BMW X6 Sports Activity Coupe[/b] will make its debut in Irvine. The 2008 X6 drew large crowds at the recent New York Auto Show. Irvine BMW expects it to be a popular addition to the BMW line of consumer friendly cars debuting in 2008.

California BMW car shoppers looking for more information on the 2008 BMW 128i, 2008 BMW 135i or the 2008 X6 Sports Activity Coupe should call BMW of Irvine at 888-496-3218 or send an email to info@bmwcalifornia.net
