What is a Certified Speaking Professional?

The Certified Speaking Professional (CSP) designation, conferred by the National Speakers Association and the International Federation for Professional Speakers, is the speaking profession's international measure of professional platform skill.

The CSP designation is earned through demonstrating competence in a combination of standards:

Professional platform skills;
Professional business management;
Professional education; and
Professional association.

"I'm honored and excited be considered for The Certified Speaking Professional (CSP) designation, by the National Speakers Association. It has been one of my lifes goals to obtain the Certified Speaking Profssional (CS) designation. This process has been enlightening and educational." Doug Said.
