*StaffLeads is one of the premier sponsors for this year's biggest 3rd party job recruiter event in Las Vegas*

StaffLeads has announced a full sponsorship for the second-annual Fordyce Forum - a conference that brings professional job recruiters and 3rd party search experts together from all over the country.

The Fordyce Forum is a product of the 30 year old Fordyce Letter, which is written and edited by some of the recruiting industry's most notable experts.

StaffLeads will be sponsoring the convention's luncheon on Friday, June 6th from 11:30am - 1:30pm where they'll be giving away a BlackBerry SmartPhone and several copies of their Internet Resume series.

"This is our first sponsorship of a major industry event." Says StaffLeads CEO Jeremy Estes "We're very excited to play a role in helping recruiting professionals network and learn."

StaffLeads delivers unlimited streams of highly targeted resumes from passive and active jobseekers, making them a key resource for recruiters at the conference.
