

Coachmen Dealer Motor Home Specialist Named #1 in America

Motor Home Specialist in Texas Carries a Large Supply of New and Used Rvs

At Motor Home Specialist you'll find the full line of Coachmen RVs available with everyday low sale prices. The Coachmen RV line includes 3 class C and Class B+ models. The Coachmen Freelander is one of the most popular models in the RV industry. It is a perfect blend of function and value and is available in a variety of floor plans that fit almost any RV lifestyle. The Coachmen Leprechaun offers an even higher level of RV comfort. Lastly there is the Coachmen Concord B+. The Concord is available in full body paint and a host of luxury RV features.

The class A gas Coachmen RVs are made up of the Mirada, Aurora and the Aurora FWS (Full Wall Slide). The Mirada is arguably the best value in a class A motor home in the RV industry. The Mirada features a one piece windshield and an impressive list of standard equipment that can include back-up camera and automatic leveling jacks. Check out the Mirada. You'll be glad you did.

The flagship Coachmen gas RV is the Aurora. It is available on several different chassis and floor plans that include a triple slide bath and 1½ floorplan as well as a full wall slide-out. You can also expect the Aurora to have LCD TVs and much more. The Coachmen Aurora and the Coachmen Aurora FWS are both available at Motor Home Specialist with incredible sale prices.

If you have any questions about the Freelander, Leprechaun, Concord, Mirada or Aurora please contact a representative at Motor Home Specialist, "Where your money buys more."
