Get in touch with Chris and Tracie Cowley for San Antonio home listings and properties for sale

For Immediate Release:
May 9th, 2008

Chris and Tracie Cowley, [large]San Antonio New Home Specialists[/large] Who give you personal attention and customer service.

What Makes Chris and Tracie New Home Specialists?

For years Chris and Tracie sold [large]homes in San Antonio [/large]for some of the largest builders in the nation. In that time they literally sold hundreds and hundreds of homes! Put that experience to work for you!

Chris & Tracie Know...

About The Newest [large] foreclosures in San Antonio [/large] on San Antonio Homes:

Where builders have some room for negotiations to help get you a better price on your home.

Which inspectors you should hire to do 3 key inspections along the construction process. That's right - THREE!

The builders' contracts and processes to let you know the areas you need to pay special attention to in order to make sure there are no surprises.

That a good Realtor needs to be with you throughout the entire process - not just to make sure their on the contract and where they go to get their commission check!

Properties for Sale: homes for sale throughout San Antonio are posted here. We hope you will take time to review the featured homes, conduct a custom search, and sign up for an email home search program.

For Buyers: this area has many of the tools that buyers frequently request, including access to the email home search service, as well as my online buyer tips and reports.

For Sellers: request a free, no-hassle market analysis and learn how your home stacks up against others in today's market. Seller tips and reports are also included, to help you save money and reduce headaches on your next transaction!

For Investors: find tools to evaluate propeties, get FREE market analysis on properties you

are considering, get access to email home search, and get all the tips you need to be successful!

Market News: the Market Trends newsletter is available each month and updated with national and local real estate information
