

Kong Red Horn compares favorably to Vigor-25 and Rize 2 and Aspire 36

How does Kong Red Horn dietary supplement capsule compare to Vigor 25, Rize 2 and even Aspire 36.

United States of America (Press Release) May 15, 2008 -- For immediate release - Miami, FL - May 17, 2006:

Vigor - 25 is no longer available, it seems, from most sources. Aspire 36 is also unavailable, it seems from most sources.

As effective products become unavailable or discontinued for quality or distribution issues, many consumers seek out equally effective or safe and simillare substitute products.

Kong Red Horn male enhancement and potency capsules have been introduced for international distribution by KMS.

KMS produces leading products for men such as, Kong and Kong Black Voodoo and now with the intorduction and global distribution of Kong Red Horn fast-acting capsules, the ultimate combination of of male enhancement and enlargement products may now be available to all walks for the very first time.

This is all just a spoof and in good clean fun....but seriously we do ask why? Why!!!

Why are we subject to such seemingly and we suggest possibly vacuous headlines day in day out by the news.....how can we say in fun....gestapo? Is that the word...no probably not...but you get the idea.

Take Kong. Take Kong Black Voodoo, Take Kong Red Horn.

Smile.
