

POV PERVERT

These gilrs love to get their mouth fucked!! Ready to get pulvurized up the ass!!

POV Pervert vs. Amy Reid

Amy Reid is the hottest and sexiest chick on the face of this planet. Thats a bold statement, but when you see her in action, you'll have no choice but to agree with me. I had the most fortunate luck to do a scene with her and its hard for me to write this sentence while thinking about how hot she was and how good of a fuck she was. She is truly amazing.

POV Pervert vs. Bobbi Starr

Bobbi Starr is a fucking hot little slut that every guy dreams about. Shes what ever guy wishes his fat wife was. I was lucky enough to get ahold of this chick for a couple hours of loving and loving is what I gave her. I gave her every inch of my love, as my horny cock invaded her tight tight pussy

POV Pervert vs. Audrey Elson

Audrey is a hot little teen slut I was able to get my perverted little hands on. I have to reiterate because she is fucking way hot. Anyways she has amazing little talents too...namely dick sucking and dick fucking. When she sucked on my dick I honestly felt like I was in heaven because her mouth is such a wonderful place to be in and not forgetting her pussy...that must be heaven part 2

POV Pervert vs. Cody Lane

Cody Lane is this hot piece of teen action. Shes got a nice rack, a nice ass and a cute face. She's what all you guys wet dreams are about everynight. Shes also a good fuck...really really good fuck. She knows how to suck cock and she knows how to ride cock....it was like she was born to fuck.
