

# Artingence are looking to raise the profile of the company through UK sports sponsorship.

*Artingence have recently started sponsoring an up and coming UK golfer.*

The first person that they have chosen to sponsor has been selected from a long list of UK sports people. After recent success in several local competitions Sid Hodkinson is now in preparations for several PGA professional golf tournaments over the course of 2008. Artingence aim to sponsor many more golfers in the North of England over the rest of the year. Please see the links below:
