

# "GeneWise", Did you ever wish you were one of the founding distributors of Amway or Herbalife??

*GeneWise is a new company that is Launching on August 1st. It will be the launch of century for individuals who take advantage of the opportunity and jump on board. Remember Amway and Herbalife? Well?*

If you were one of those founders! You and your family would have so much money that your children's, children's children could not spend all of the money they made.

Well guess what??? You have that opportunity today. Why? Because of the launch of a company called GeneWise. They will be launching Aug 1st and watch out after that. You may even want to buy their stock now, before the launch!!!

You can be a "founder" in GeneWise. We have the potential to make millions and millions of dollars just like the founders in Amway and Herbalife.

This is a big Deal!!! A huge Deal!!!

ITS GENEWISE! You should at least take a look at it! Keep your mind and your options open. Are you looking for a company to get started with? Or are you in a company already and you aren't doing very well.

Also, you should be looking in to buying stock with this publicly traded company. Look for GNLK on the stock exchange and watch what happens

GeneWise life science is set to launch in August and the founding affiliates who bring this company to launch are going to be REWARDED tremendously for their efforts.

You know the team that I am on \*LOVES\* cultivating our marketing skills and INCREASING the team's collective power to build businesses 10 fold.

And one fact is that there is \*10X more money\* to be made in network marketing as a founding affiliate, than if you come in later down the road. There is 10X

more money to be made when you are the beginning of the beginning of something HUGE than if you stroll in later to that company.

When you are among the FIRST people introducing a story or something to the market place...it is VASTLY easier to do. Your story is heard and listened to by so many more ears. New ears! And if that story is unbelievably unique, something that literally NO ONE has ever heard before, then you are sitting on top of a goldmine of profitability.

What I am sharing with you today is seriously TURNING HEADS in this industry

and is going to be one of the largest launches we will see in this entire decade.

Not only that, but the people who take part in this launch and bring what this company has to offer to the market place, they are going to set themselves up for income levels in network marketing that could honestly break records. And if that wasn't the god's honest truth I would NOT even be here writing this article.

I and my team are creating TWO huge power legs, and signing up TONS of people. We have partners that we have brought in just over the last few weeks who already have a group 30 levels deep underneath them...just because of "who" their sponsor is.

The launch of GeneWise is guaranteed to be one of the largest launches we will see in this decade. And I can tell you this, If you take a minute out of your day to do some due diligence and look into this company, it has the potential to change the rest of your life forever and put you on a path to truly 'Win Big' personally and financially in our industry...
