

# Kyani is Featured In Success Magazine 2009 - Kyani Mentor With Ann Cook

*Kyani-Mentor With Ann Cook achieved director with in her first 30 days.*

Kyani is Featured In Success Magazine January 2009 - Kyani Mentor With Ann Cook. Kyani Work at Home Business has a Simple 2 Step System that is attracting 60,000 to 70,000/month Income Earners.

Why would another "juice" company attract "Heavy Hitters" from business such as Noni, Herbalife, YTB just to name a few. Network Marketing and Work at Home Businesses have been around for ages so what makes this one a STAND OUT to Industry Experts.

They are seeing something different about this business. It has an excellent compensation plan, is backed by successful people in various industries, has an excellent products and a simple 2 step system to help the newest distributor succeed.

Kyani Meaning "Strong Medicine." Alaskan Blueberries which according to Dr. Steven Pratt's best selling book "Fourteen Foods that will change your life - Super Foods RX" Blueberries are listed as one of the 3 major Super Foods that will change your life and your health. Dr. Pratt also explains in his book that Wild Blueberries contain more antioxidants than cultivated varieties. Not all blueberries are created equal! The "Super Blueberry" because of its harsh growing conditions (extreme cold, long days of sunlight, etc.) put on a protective skin containing 10 times the antioxidants than its cultivated cousins.

Are you looking for a home business that you can really see success. If your answer is Yes! Then Kyani AllStars team is here to help you and your distributors to achieve success.
