*Glenn Fraley tells us about the 3x2 Freedom Perks Plan for Marketers, it is a "Monster" Glenn Fraley tells us. The extras on top of the great pay plan is off the hook! You just have to read..*

We Tracked down top marketer Glenn Fraley to find out what exactly this 3x2 Freedom perks plan was all about. He told us the exact plan for the perks plan of the 3x2 freedom program.

Just read the 3x2 Freedom Perks Plan for yourself below and get blown away!

The 3x2 Freedom Perk Plan:

Glenn Tells us, "Let me explain to everyone what the Perk Program is all about."

Glenn tells us he is sure everyone has been in a program where there was a contest for the 1st person to reach a certain goal gets this certain prize and so on. With the Perks page, this is NOT a contest and is much different. Letting Glenn Fraley explain what he mean by this is. He tells us very person who reaches a certain goal stated in the Perks Program gets the same Perk product of their choosing.

For example: If 4 people reach a certain goal, it is not who gets there first, but all are eligible for the same Perk product included.

At 3x2 Freedom, they do not want a competition in the program, but we want to work as a team. Glenn says he understands we would both want to sign up one specific person if the opportunity is there but we want to help each other out as well. As long as everyone is helping each other, the stronger this programs remains and that is the goal with the 3x2 Freedom Plan!!

So let us take a look at the Perk Products Available.
