

La Jolla Hotels Offer Special Discounts on Hotel Room Rates

La Jolla California is one of the premier tourist destinations in San Diego. Checkout a list of 25 La Jolla area hotels which are offering special discounts on hotel room rates for travelers.

La Jolla California is one of the most scenic beach and coastal communities in San Diego and Southern California and well known for high end art galleries, restaurants and shopping and hotels and resorts.

In a time where the economy is still lagging La Jolla Hotels are stepping up and offering special discounts and travel incentives to entice visitors to come stay on the beaches and coastal shores at one of San Diego's most upscale communities.

"We have seen all the hotels in La Jolla offering special rates and package discounts on their hotel rooms in an effort to increase hotel occupancy", said SoCal Beaches Magazine travel expert Mark Fitzgerald. "Last year it was the moderate priced hotels making an effort and this year (2009) many of the upper and high end hotels are now following the trend to make sure the occupancy rates stay high during the travel season".

"We now have 25 La Jolla hotels and resorts who have offered discount hotel room rates for our clients to help increase traffic during summer and off peak months of the year".

Many hotels like the La Valencia, once known for courting some of Hollywood's premier stars is now only offering hotel room discounts but also offering some amazing happy hour specials that include \$5.00 glasses of house wines during the week and half priced bottles of wine on Monday's and Wednesdays.

"It is a sigh of the times", said San Diego travel expert Mary Clark, who has been tracking hotel occupancy rates and travel trends in Southern California hotels for the past 5 years. "Even the more upscale hotels and resorts in La Jolla realize that to keep the hotels full they need to offer more attractive pricing on hotel room rates to make that happen as the economy still tries to recover".
