

farrah fawcett news, farrah fawcett died

Farrah Fawcett news about Farrah Fawcett died on 06/25/09 from her battle with cancer. Farrah Fawcett lived and died...

Farrah Fawcett lost her battle with cancer on june 26th of 2009. She has lived and died in the spotlight of the public eye. Farrah Fawcett has been ill with cancer for over 2 years and under went experimental surgery in Germany for her cancer. She also was planning on being wed to her long time mate, Ryan O'neal as soon as she could get the strength for the wedding. They had been together since 1980 and had a child together, their 24 year old sone, Redmond O'neal.

Before they could engage their plans she died at the age of 62 as beautiful as ever. She came to grasp a strong will to live and beat her cancer but was unable to fend it off.
