*A secret that has made 535 Adwords advertisers getting 10/10 on any keywords consistently. Today, it is exposed! We are thrilled when we know it is possible to get 10/10 score consistently...*

TheWire - We are proud to have this interview with one of the Google Adwords Experts, Daniel Tan, who has consistently scored 10/10 Adwords Quality Score on virtually ANY keywords he wants, at will.

"There are so many guesses and tests running all over the world, even at this couple of minutes, on how to get 10/10 quality score on Adwords, this area of Adwords have been so mysterious. People are investing massive amount of time and money to find out a way to consistently score 10/10 on Google adwords, surprisingly, I have been told, there was no guaranteed way to score 10/10 on Adwords", says this man over this desk, while his personal assistant is serving us a refreshing blend of iced sky-juice with 2 drops of lemonade.

"Adwords Quality Score is dynamic, I agree. However dynamic it is, most keywords in my campaigns are scoring 10/10 great score, I have proved them wrong. You can consistently get 10/10 Adwords Quality Score if you know how to do it, if I may show you, you will be surprised on how simple it is."

Obviously, there are some unknown methods on scoring 10/10 Adwords Quality Score. Daniel Tan proceeded to show us 5 of his campaigns targeting hot buying keywords and scoring 10/10. To our surprise, his niches went from 'weight loss' to the currently hottest 'make money with Twitter' niche, including 2 CPA campaigns on free Ipods and XBox.

"I have been in internet marketing for over 4 years now. That's the reason why I have almost every money niches covered. Weight loss is good money, especially if you target the Acai Berry niche, and right now, any Twitter related business is fantastic."

"Look, when you can get 10/10 Adwords Quality Score on any keywords, at will, you will make money in any niche you want. You no longer need to pay \$5 for a click in the hottest niche. You will have traffic at your command, and you know it, traffic is the most valuable commodity on the internet!"

"Ok, do you know why you need to get 10/10 Adwords Quality Score on your keywords?"

First, you will be paying 30% less cost compared to if you scored 7/10, which most people did. Second, your ads will be placed higher. Third, due to all these compounded effects, you will score a good CTR with relatively lower cost than your competitors, as such, you have more money to play with them, surface as the winner and win over the competition! It's like hitting the sweet-spot on your tennis racket where everything becomes perfect."
