Let the Christmas Gift Buying begin for all snowmobilers, at Sno-Sled Entertainment!

We are thrilled to announce that Sno-Sled Entertainment & Braaap Films of Sault-Ste-Marie Ontario, have decided to sponsor Zenwaiter.com, the daily snowmobile website magazine.

For years we have hoped to get a quality snowmobile film producer on board as a major sponsor, and now we have arrived.

SnoSled Entertainment & Braaap Films have been producing amazing snowmobiling video since the late 1980's. Daniel A. Cedolia, the owner of Sno-Sled Entertainment, says he wants to press forward with more Internet promotion than in the past, to combat the poor US economy. Cedolia's passion for the sport, knows no bounds. His life is making excellent films about snowmobiling.

"Since 1988, our passion for snowmobile entertainment has evolved quite a bit. It started at the race track (the I-500 Endurance Race in Michigan), followed into the back country, the ended up in your home. We love the sport, and that's what drives us."

"We are dedicated to customer satisfaction. As Canada and the USA are faced with tough economic times, we have focused on meeting the movie buying public in person at the snowmobile trade shows, and then keeping in touch with them by e-mail and through our web sites."

"Our mandate is to keep you informed with the very best in snowmobile entertainment, and to stock only the very best in snowmobiling DVD's and movie related products, such as a full line of Braaap wear, Braaap stickers, exciting posters , and even a high quality snowmobile calendar that feature amazing photography."

Here at Zenwaiter.com, we look forward to taking Sno-Sled Entertainment to the next level of Internet marketing, by increasing awareness of their quality products to the Internet buyers out there.
