

Herbal Tablets help men release their inner "Tiger" and bring the "wood" back into their game

TigerTablets.com delivers an all - natural and exotic herbal male enhancement product that can definitely put the "wood" back in your "game" in no time.

(For immediate release) - Palm Beach County, FL - 12- 15 09:

Tigertablets.com delivers an all natural and powerful exotic herbal supplement that can help men release their sexual "tiger" and put the "wood" back in their game faster than previously imagined.

Kong, Kong Black Voodoo and Kong Red Horn male enhancement products have been used for years by men the world over to enhance their prowess, size, stamina and drive.

Available now at www.tigertablets.com, Kong, Kong Black Voodoo and Kong Red Horn include exotic, rare and extremely powerful herbal ingredients such as Damiana, Muira Puama, Ashwaganda Root, L-Arginine, Suma Root, Horny Goat Weed, Saw Palmetto, Cuscotta Extract, Catuaba Extract, Rhodiola Rosea Extract, Lycium Fruit, Cnidium Fruit Extract, Korean Ginseng Root Extract, Maca Extract, Poria Sclerolium Extract, Tienchi Ginseng Extract and Proprietary blends that deliver a sexual performance surge that many men find hard to describe and many women find hard to put into words!

Do you want more size? Length? Girth? Stamina? Explosive completions?

Then Kong products are for you.

All Kong products compare favorably or dramatically exceed the effects or appearances of other products in the male enhancement category such as, Enzyte, Extenze, Rize 2, Vigor-25, Mioplex, Magna-Rx, Vig-rx, Elongate, Alzare and many more.

And our research indicates that nothing beats Kong's incomparable quality, power and consumer value-per-climax ratio.

Kong tablets and Kong Black Voodoo are a daily formulas that are taken two times a day so that over time, you will always be ready exactly when you need to be ready.

Kong or Kong Black Voodoo can be taken individually or they may be taken together for added power.

Kong Red Horn is a "situation specific" formula. That is, Kong Red Horn is taken prior to

anticipated sexual activity and has an estimated effective window of opportunity of several hours before it can be taken again.

When combined. The effects are amazing.
