

NJ PARTY BUS - LIMO PARTY BUS

Party Buses are the new limousine for weddings, promenades, bachelor parties, birthday parties, wine tours, bachelorette party as well as casino nights on the town.

Limo party bus rentals are the latest craze of fashion. We possess an extensive fleet of Limo Party Bus Rentals for your pleasure. Simply call or visit our main showroom to see first hand what party buses are all about.

Party bus (also known as a limo bus, limousine bus, party van, or luxury bus) . Our large Limo Party Buses are designed to carry 10 - 50 passengers. Our Party buses are driven by chauffeurs who possess specialized licenses. Our Party buses offer seating capacities from 10 to 50 passengers. In most cases these are converted van or mini-bus chassis with some conversions done using urban coach or motor coach chassis. Amenities include upgraded electrical systems, fast idle controller, AM/FM stereo with CD player, power/heated remote control mirrors, power door locks and windows, upgraded seats and fabric, stripper-poles, air actuated passenger entry door, stripper poles, video and audio systems, luggage partitions, back-up cameras, smoke machines, laser lights, disco lights, strobe lights, on-board restroom. Our limo party buses have a large array of floor plans to suit varying transportation needs. Party buses are primarily used for, although not limited to, weddings, proms and bachelor and bachelorette parties as well as round trips to casinos, nights on the town, personalized drop offs and pick ups at various bars and nightclubs, birthdays and city tours. While some party buses are used for week long tours and events, most are used for day trips and events. Most party buses, however, operate as livery vehicles, providing more accessible competition to limousines and taxicabs.

Why not party it up the right way by renting one of our limo party buses! Thinking about booking a limo for a prom or wedding or special event? Cruising around in a stretch limousine may be a cool, however with a stretch limousine you are limited to a low roof. An SUV limo gives you more overhead room and better than a stretch limousine, but for the ultimate event, one should definitely look into a party bus rental.

Party buses are hot these days. There are many advantages to renting one over traditional limos. They will accommodate standing up, so you can dance with a lot of open space, while traveling anywhere. How do you like me now?

Party buses are made for the ultimate party people. Our party bus is packed with loud and bright entertainment systems, including flashing lights like a club. This allows the party to never die down in between transitions between clubs, dinner, or wherever the party is going.

Safety should always be priority in any situation. However, when an event calls for excessive alcohol drinking, safety tends to be of least concern. It is important not to neglect safety when out on the town, especially when the party is big enough to include all kinds of drinking behavior and attitudes.
